- Summer schools

ISIPCA was created in 1970 by Jean-Jacques Guerlain, a descendant of Pierre François-Pascal Guerlain, the founder of the iconic Guerlain House.

ISIPCA is the world leading graduate school dedicated to Perfume, Cosmetics and Food Flavourings, affiliated to the «Les Écoles des Métiers du Luxe» education group initiated by Paris Ile-de-France Chamber of Commerce and Industry. Its training programs are dedicated to all related scientific and commercial professions.

The quality of the ISIPCA undergraduate, graduate and postgraduate programs is highly recognized by academics, professional bodies and companies, around the world. It offers an innovative pedagogy including a platform and training services on Blackboard, free MOOCs, etc.

ISIPCA is endowed with a renowned research and development center in physicochemical analysis and sensory analysis

Its Library offers first-rate resources: 2,000 books and 8,000 periodical articles and sectoral market studies and more than 20 subscriptions to general press and specialized journals.

ACCESS FOR DISABLED PEOPLE

As part of its Equity and Inclusion policy, and in accordance with the provisions of Law No. 2005-102 of 11 February 2005 for equal rights and opportunities, participation and citizenship of people with disabilities, ISIPCA undertakes to respect the standards of physical and digital accessibility for people with disabilities. It also provides educational adaptations if necessary.
